Long-arm Instruction*

for

*Beginner and
Intermediate
Skill Levels*

with

*Award Winning
Longarm Quilter*

Pat Harrison

In my studio

Exeter, Rhode Island

My Background

- ✕ I have been sewing for over 40 years and quilting enthusiastically for over 15 years.
- ✕ I am currently teaching quilting at local quilt shops and lecturing on longarm quilting in New England and New York.
- ✕ I am professionally trained with Bachelor's and Master's degrees in Home Economics Education and have recently retired after 29 years in the classroom.
- ✕ I have experience on APQS, Gammills, Hobby Quilters, HQ16 and other track machine systems and I have been longarming since 1999.
- ✕ Having taught all ages from Preschool to adult I can help you improve your skills, taking into account your personal learning style.

What I can do for you:

Make your time at your machine:

- ✕ More Creative (help you with design ideas)
- ✕ More efficient and cost effective (where does the time go?)
- ✕ Less frustrating
- ✕ More fun

We will develop a list of what you need to learn to further your skills as a machine quilter. Once that is completed, a personalized lesson plan will be created, custom fit to your needs.

Fee Schedule:

- All day class in my studio
- 10 am to 4 pm
- Includes lunch and beverages
- Private: \$200.
- Semi-Private (limit 2 people: \$125 each)
